

Lamb Group

Seigakuin Atlanta International School
Pre-School/Kindergarten

Seigakuin Atlanta International School offers a program called Lamb Group. It is a transitional program for younger children to ease into school before enrolling full time. Children aged two and a half to three can register to attend two or three days per week. Monthly registration is required. The fee is \$35 per day and paid monthly. We require that your child is toilet trained to participate in the Lamb Group. If you are concerned about your child's toilet training level, please speak to the Kindergarten head teacher. Please note it is recommended that your child applies for regular enrollment after three to six months in the Lamb Group.

Unlike enrolling for full time, the examination fee and the entrance fee are not required for Lamb Group registration. If you would like to register your child for Lamb Group, please submit the Lamb Group application forms and the calendar marked with the days that your child would like to participate in the program. (Please note that we may not be able to accommodate your request in order to maintain an ideal learning environment for the children.) After we receive the application and the calendar, we will let you know if your request is accepted. On your child's first day in the program please submit the Emergency Contact Form, Release Form, Model Release Form, and Immunization Form (GA Form 3231). The teacher will observe your child on the first day of Lamb Group. Please be aware that the teacher may advise that it is better for your child to wait for a while before continuing this program. When a decision has been made whether or not your child is ready for the Lamb Group, please pay the fee at the Business Office.

If you are interested in enrolling your child for full time (five days/week), please submit the application documents (refer to application form check list) along with \$100 examination fee. Upon receipt of the application documents and fee, we will notify you of the interview date. After your child's acceptance is confirmed, please submit the rest of the documents required and pay the entrance fee and school fees accordingly.
